

OFFICIAL RULES KSDM / KGHS ON TOP OF OLD SMOKEY FIRST SNOWFALL CONTEST 2018

Contest begins on the air on September 24TH, 2018 and ends on October 13th, 2018. KSDM and KGHS will qualify contestants during this time period only. Contestants must listen to KSDM/KGHS for complete details.

Contestants must tell us the date and time they think the first inch of measurable snow will fall on old Smokey's head this year. **Contest is limited to one entry per person.** **Snowfalls on or before October 13th do not count.**

The first inch of measurable snow is defined as follows: the date and time there is an inch of accumulated snow on top of old Smokey's hat. The snow, of course, can melt...the same day it happens. The decision of the judges will be final. **Contestants when picking a date must pick a six-hour time frame for that day.**

The person who guesses the closest will win a new snow shovel from Sears in International Falls. The shovel will have gift certificates attached to it including a \$500.00 shopping spree from Stuart's Super One Foods of International Falls!!

Grand prizewinner **may** be required to sign an IRS Form 1099 and submit proper ID (driver's license) at the time the prize is awarded. Contestants must be 18 years old or older.

In case of ties, the guess with the earliest date wins. The next tiebreaker would be a random drawing of the contestants with the closest guess.

KSDM/KGHS retains the right to change or amend any or all of the preceding rules at their sole discretion without prior notification to contestants. The contest is designed in the spirit of good fellowship to have a little fun as we look forward to another winter season in Borderland.
